# CEO Message

The driving force of 21st-century corporate innovation is human resources management

In the rapidly changing business market, companies that possess human resources who are needed in the right places and who can develop themselves creatively are truly the 21st-century enterprises promoting sustainable market competitiveness and stable growth.

UBSOCIUS is an Executive HR Consulting Group leading the global headhunting market by working with experts to meet corporate needs of change and passion.

With the belief that the best candidate for a specific company is always the best human resources, we aim to become a key HR partner for your company.  
All of our executives and employees promise to do our best in all tasks with a humble heart.

CEO Hyun-Ki, Kim

# Organization

# Business - Combined HR Service

UBSOCIUS is a professional HRConsulting firm that operates a systematic resources recommendation program. With our in-house ERP system, we have established a top-tier candidate database in each industry. We offer bespoke 1:1 HR solutions tailored to your company, assisting you in human resources management.

CareerN provides career consulting services to assist individual job seekers in efficient career management and a successful job application process. Beyond simple job-seeking advice, we offer a comprehensive solution for job seekers, including resume review, job transition consultation, and interview tips, ensuring they can fully utilize their capabilities.

HUMUS collaborates with companies by outsourcing part of their recruitment process and ensures that there are no gaps in human resources management. Through our support, companies can reduce the burden of recruiting and HR tasks, allowing them to focus more on their core tasks and maximize productivity.

FamaCheck provides companies with a reputable candidate verification service offering background and reputation checks on potential hires. By utilizing these reference checks, companies can assess a candidate's job competency through a final verification process, reducing the hiring mistakes.
